PROFILE

Graphic designer based in Kafr El-Shaikh, Egypt, focused on advertising design, social media content, book covers, and photo manipulation. Comfortable taking a brief from concept through to a finished, on-brand visual — with an eye for clean typography and clear hierarchy.

[Add 1-2 more sentences here about your design background — how long you've been designing, and the kind of projects or clients you enjoy most.]

EXPERIENCE

[Job title / Freelance Graphic Designer] [Start] - Present

[Company name, or "Freelance / Self-employed"]

[Add 2-3 lines here: what you design, for which kinds of clients, and one concrete result — e.g. "Designed social media campaigns for local businesses including Al-Khaleeji Real Estate and Arkan Real Estate."]

CLIENT FEEDBACK

"Working with Fathi was a great experience. The branding and marketing materials were clean, modern, and delivered on time. Highly professional throughout the project."

— Al-Khaleeji Real Estate

"Excellent attention to detail and creative design solutions. Our visual identity became much more consistent and engaging thanks to Fathi's work."

— Arkan Real Estate

"Fast communication, high-quality work, and a smooth collaboration from start to finish. I would definitely recommend Fathi for any creative design project."

— Mohamed Al-Kenawey
